DIPLOMATIC MASTER ACTIONS

(Only POTUS, the Vice President, and the Secretary of State can use these actions during the designated segments)

Subtract 1 from these rolls if playing with the Special New Player DRM rule.

These rolls can be re-rolled once (only) by spending an AP.

NOTE

EXTRA ACTIONS: During any blue "Actions" Segment in the Turn Sequence, you may spend 2 APs to take ONE additional action of ANY type in addition to what the Action Segment allows.

1 CRISIS RELIEF

WHY: Prevent Regional Crises from becoming Major Crises which spawn Terror Groups and Rogue States, cause loss of Regional Stability, and decrease Regional Alignment.

WHEN: During any Activation Segment in which Diplomatic Actions may be taken.

COST: 1 Action

PROCEDURE: Choose a region and roll a d10 : -1

1 or less: Decrease Regional Crisis in region by TWO boxes

2-6: Decrease Regional Crisis in region by ONE box

7-9: No Effect

10: Increase Regional Crisis in region by ONE box; US involvement worsens the crisis.

DRMs:
-# Diplomatic Rating of your Secretary of State

-1 if Regional Stability is 6 or higher

2 ATTEMPT TO IMPROVE ONE REGION'S ALIGNMENT

WHY: Improve Regional Alignment to prevent auto-loss and increase your End of Turn score in order to raise your Public Approval and gain Legacy Points.

WHEN: During any Activation Segment in which Diplomatic Actions may be taken.

COST: 1 Action

PROCEDURE: Choose a region and make a Regional Alignment Check (D18). -1

If the result is a natural (unmodified) "10," place a "Trending Anti-US" counter on the region's Regional Alignment Track.

Pass: Place a "Trending Pro-US" counter on the region's Regional Alignment Track.

Fail: No effect.

DRMs:
-# Diplomatic Rating of your Secretary of State

+1 (for each Peer) if Russia or China has Influence in the region

3 ATTEMPT TO REMOVE CHINESE OR RUSSIAN INFLUENCE COUNTER IN ONE REGION

WHY: Remove Russian or Chinese influence in a region to protect Regional Alignment with the US.

WHEN: During any Activation Segment in which Diplomatic Actions may be taken. **May only be attempted once per Activation Segment.**

COST: 1 Action

PROCEDURE:
Choose a region with a Regional Alignment of "7" or "8" (or "6" if Regional Crises are "0"), roll d10 : -1

On a result of 6 or less, you may remove ONE Russia or China Influence Counter (you cannot remove a Base with this action) from that region.

DRMs:
None

4 MAKE A TRADE AGREEMENT

WHY: Attempt to establish a Trade Agreement with a region (limit of one "Trade Agreement" counter per Region, refer to the Trade Agreements Chart (WD4) for more details on Trade Agreements.)

WHEN: During any Activation Segment in which Diplomatic Actions may be taken.

COST: 1 Action (Optional cost of up to 2 AP for each step below for -1 DRM per AP)

PROCEDURE:

1st: Choose a region. If that region has a "Trade Agreement Pending" counter, continue to the 2nd step of this procedure. Otherwise, make a Regional Alignment Check (D18) in that region. -1

If you **PASS**, place a "Trade Agreement Pending" counter there. If you **FAIL**, end this action.

2nd: Make a Relations with Congress Check (D18). -1

If you **PASS**, flip the "Trade Agreement Pending" counter to its "Trade Agreement" side and place a "Trending Pro-US" marker on the affected region's Alignment Track. If you **FAIL**, there is no agreement but the "Pending" counter remains.

DRMs:
-1 per AP spent (up to a max of 2 APs in each step)

5 DECREASE TENSIONS

WHY: Reduce Tensions on any Ally, Rival, or Rogue State.

WHEN: During any Activation Segment in which Diplomatic Actions may be taken.

COST: 1 Action (Optional cost of up to 2 AP for -1 DRM per AP)

PROCEDURE: Choose one of the following targets:

- An Ally: Remove up to 2 Tensions counters (no roll).
- Choose either China, Russia, Iran or North Korea and roll a d10 10: -1

3 or less: Major Success! Remove 2 Tensions counters
4-7: Success. Remove 1 Tensions counter
8-9: No Effect
10+: Diplomatic Failure! Add 1 Tensions counter

DRMs:
-1 per AP spent (up to a max of 2 APs)
-# Diplomatic Rating of your Secretary of State
+/- (For China/Russia attempts) the DRM at the bottom of China's or Russia's Relations with the US Track

6 SUMMIT WITH CHINA OR RUSSIA

WHY: Improve relations with China or Russia and/or address issues of mutual interest.
WHEN: During any Activation Segment in which Diplomatic Actions may be taken. **May only be used once per Activation Phase (for either Peer - place Summit Used marker on the Turn Sequence when complete).**
COST: 1 Action
PROCEDURE: Choose China or Russia. If China, follow the procedure for a China Summit (WPC2). If Russia, follow the procedure for a Russia Summit (WPR2).

7 ATTEMPT TO IMPOSE SANCTIONS

WHY: Diminish an enemy country's economy and ability to project its influence.

WHEN: During any Activation Segment in which Diplomatic Actions may be taken.

COST: 1 Action (Optional cost of 1 AP for -1 DRM)

PROCEDURE: Choose target country (Russia, China, Iran, or North Korea) and type of Sanction (Unilateral or Multilateral). The targeted country may not already have Sanctions of that type. **You may not attempt Sanctions against Russia or China if their "Relations with US" track is currently "4" or "5."**

Roll a d10 10: -1

Unilateral Sanction: Success on 7 or less, otherwise no effect. If successful place Unilateral Sanction in the target country, and if Russia or China place a "Trending Anti-US" counter on their Relations with the US Track.

Multilateral Sanction: Success on 4 or less, otherwise no effect. If successful, place Multilateral Sanction in the target country and if Russia or China move their Relations with the US counter one box to the left on their Relations with the US Track.

DRMs (applicable to both types of Sanctions; +3/-3 Max):
-1 if there are at least 2 Tensions counters on the target country
-# Diplomatic Rating of your Secretary of State
-1 if you spend 1 AP
-1 if Relations with Congress is 7 or greater
+1 if Relations with Congress is 4 or less
+2 if the Target is China

8 DE-ESCALATE A CONFLICT

WHY: Prevent a war from breaking out.

WHEN: During any Activation Segment in which Diplomatic Actions may be taken.

COST: 1 Action

PROCEDURE: Choose one Conflict Track not at War and roll a d10 10: -1

2 or less: Decrease Conflict Track by one box. Place a "Trending Pro-US" counter on the Relations with the US (if China/Russia involved) and/or on the region (if Ally/Iran/DPRK involved) and remove 1 Tensions counter from each country involved. +1 Public Approval.
3-6: Decrease Conflict Track by one box
7+: No Effect

DRMs:
-# Diplomatic Rating of your Secretary of State
+/- (if China/Russia involved) the DRM at the bottom of China's or Russia's Relations with the US Track

9 BROKER OR OFFER PEACE

WHY: Bring a war or civil war to an end.

WHEN: During any Activation Segment in which Diplomatic Actions may be taken. **May only be attempted once per Activation Phase.**

COST: 1 Action

PROCEDURE: Choose one current War or Civil War.

- **CIVIL WARS:** Refer to the Civil War Resolution/Broker Peace Chart (WM4).
- **ALLY OR US-SUPPORTED WAR.** Roll a d10 10: -1

3 or less: Peace! The War ends. Place a "Trending Pro-US" counter in the War's region. +1 Legacy Point.
4+: Peace talks stall. The War continues. Add 1 Strength to each side.

- **US WAR:** Offer peace. Roll a d10 10: -1

5 or less: Peace! The War ends.
6+: Peace talks stall. The War continues. Enemy reinforces +1 Strength.

DRMs (for Wars only, not Civil Wars):
-2 if US War and US is currently winning
-1 if Conflict Status is currently "Stalemate"
-# Diplomatic Rating of your Secretary of State
+2 if this is a non-US War
